# ERN ReCONNET Newsletter

Issue n. 0
February 2018

## Welcome to the first issue of the ERN ReCONNET Newsletter

## ERN ReCONNET Meeting

On 4th, 5th and 6th February 2018 Pisa hosted the ERN ReCONNET meeting. The meeting gathered Patient Representatives, Healthcare Provider Representatives, Disease Coordinators, Steering Committee and the ERN ReCONNET Team.
The main objectives of the meeting were patients involvement (especially on WP3, WP4 and WP8), WPs technical meetings and updates, Network meeting and planning of the second year of the project.
Thanks to the heterogeneous composition of the Working groups the meeting gathered important feedbacks from all stakeholders, both for WP4 and WP8, crucial to finalize the activities of year 1 and plan the implementation of year 2.

## ERN ReCONNET WP3 Meeting at ACR

After the ERN ReCONNET Meeting held in Madrid during the EULAR 2017 congress, the members of the Network met again on 5th November 2017 at the Hotel Hilton Bayfront in San Diego, during the ACR 2017 annual meeting.

The meeting main objectives were:
– Presentation of WP3 Step 3
– Preliminary results (existing guidelines assessment)
Preliminary discussion on WP3 Step 4 (identification of unmet needs and gaps in existing guidelines)
The ERN ReCONNET Team took the opportunity to disseminate the project with a dedicated booth in the exhibition hall.

# ERN ReCONNET kick-off meeting

The European Reference Networks were formally launched in March 2017 in Vilnius, during the 3rd ERNs conference. The kick-off meeting of ERN ReCONNET was organised in Pisa, on May 26th, 27th and 28th, 2017.

During the meeting the participants discussed the aims and the mission of the ERN ReCONNET, outlining the 7 WPs foreseen for the first year.
