

Como solicitar acesso ao CPMS

Para aceder ao CPMS, os seguintes passos devem ser seguidos:

1. Tenha ou crie o seu EU LOGIN pessoal; Guia oficial aqui
2. Adicione o número do seu telemóvel ao EU LOGIN como método de autenticação dupla; Guia oficial aqui
3. Solicite acesso ao CPMS para ERN ReCONNET com ROLE específico;
4. Faça login no CPMS.

Um vídeo detalhado também pode ser encontrado no seguinte link: CPMS Video animation guide.

Neste guia, apresentaremos os passos necessários para solicitar acesso ao CPMS para um utilizador convidado.

Pode usar a conta de utilizador convidado para contribuir com um painel, assim como para criar um novo painel.

Tenha em atenção que o utilizador convidado é uma conta temporária.

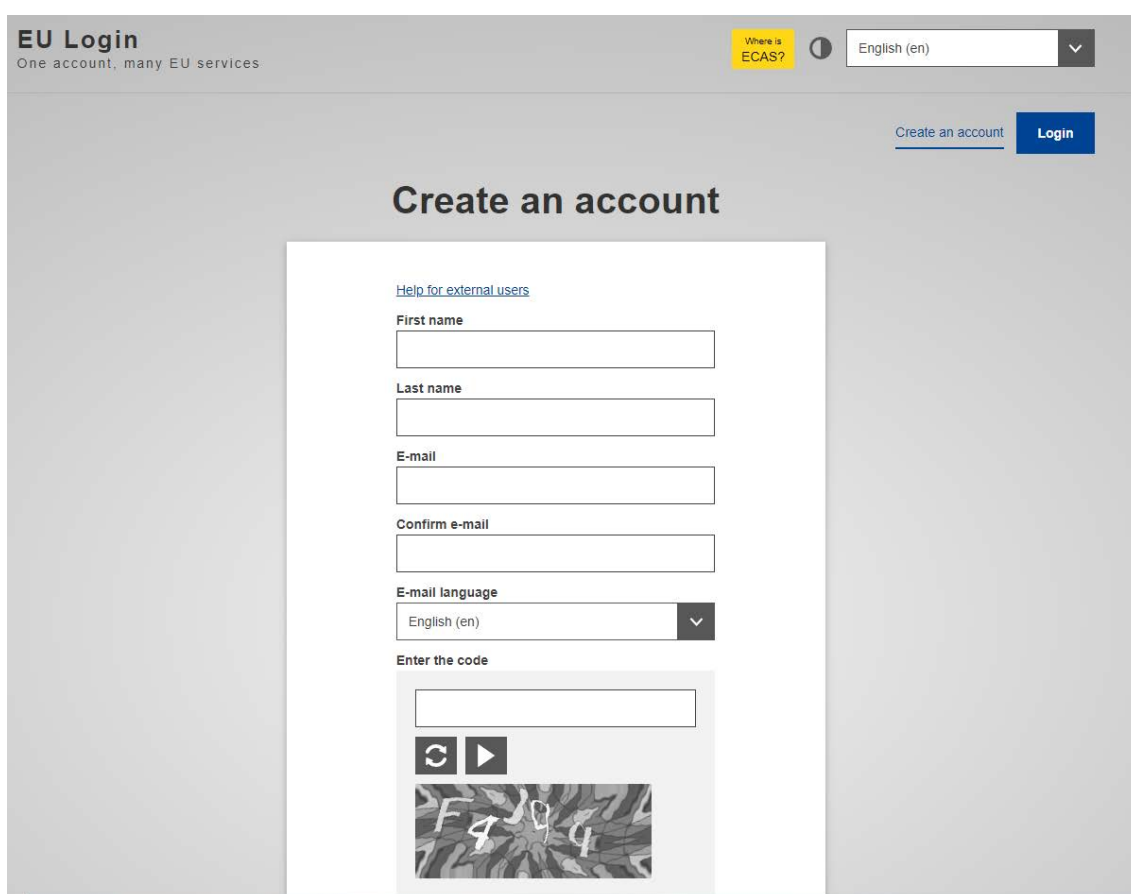

Se ainda não o fez, encorajamos a entrar em contacto com o helpdesk: helpdesk.reconnet@ao-pisa.toscana.it ou ERN ReCONNET directamente: ern.reconnet@ao-pisa.toscana.it para auxiliar neste processo.

Como criar um EU Login

Para criar um EU login, siga as etapas abaixo:

1. Vá para o seguinte link

<https://webgate.ec.europa.eu/cas/eim/external/register.cgi>

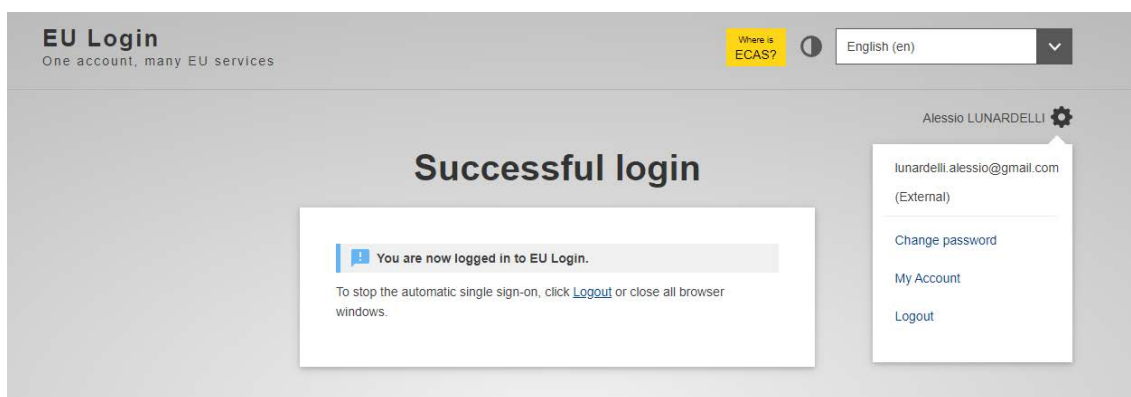

The screenshot shows the 'EU Login' registration page. At the top left, it says 'EU Login' and 'One account, many EU services'. On the top right, there is a 'Where is ECAS?' button, a language dropdown menu set to 'English (en)', and a 'Login' button. Below these, there are links for 'Create an account' and 'Login'. The main heading is 'Create an account'. A central white box contains the registration form with the following fields: 'First name', 'Last name', 'E-mail', 'Confirm e-mail', 'E-mail language' (dropdown menu set to 'English (en)'), and 'Enter the code' (with a refresh and play button). Below the code field is a CAPTCHA image showing the number '5404'.

2. Preencha os dados do formulário e clique no botão “create an account” no final do formulário e aguarde o e-mail de confirmação.

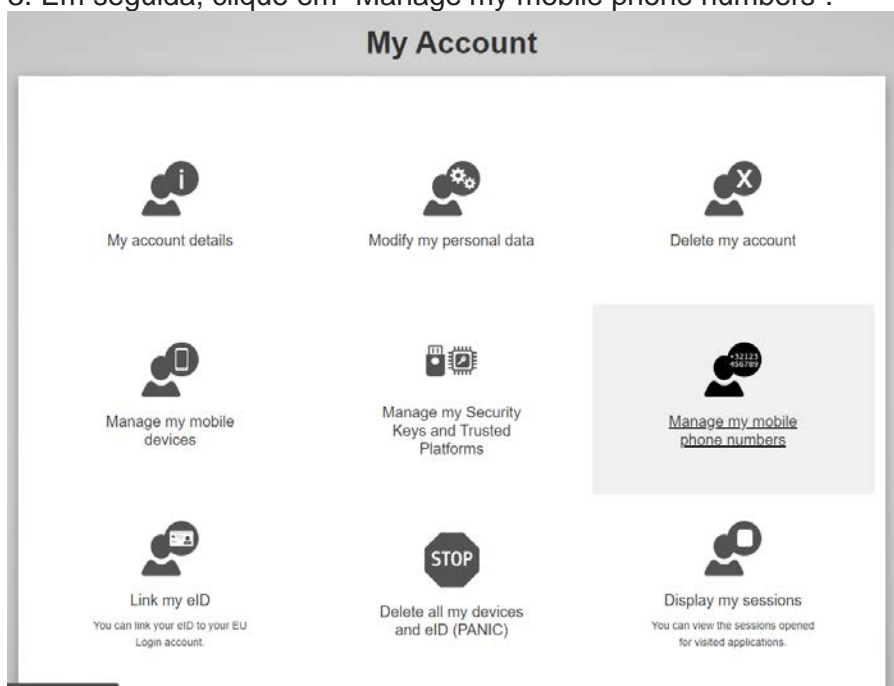

Como adicionar o seu número de telemóvel como autenticação de factor duplo para EU Login

Para usar o CPMS, precisa de ter um EU login com processo de autenticação de factor duplo.

1. Vá para o seguinte link <https://webgate.ec.europa.eu/cas> e faça login com sua conta do EU login.
2. Após o Login, clique no ícone “” no canto superior direito e seleccione “My Account”.

3. Em seguida, clique em “Manage my mobile phone numbers”.

4. Adicione o seu número de telemóvel.

5. Depois de preencher o formulário, receberá uma mensagem via SMS e o seu número de telemóvel será associado à sua conta de EU login. Sempre que aceder ao CPMS, será solicitado que adicione a sua senha e um código de verificação única que será enviado para o seu telemóvel.

Pode também fazer download do EU Login Mobile App através da sua app store no seu telemóvel e usar o SCAN QR CODE para proteger o login com o EU Login.

Para obter mais informações sobre a autenticação de dois fatores, consulte o Guia oficial da UE

https://europa.eu/regions-and-cities/set-eu-login-two-factorauthentication_en

Como solicitar acesso ao CPMS

Para solicitar acesso ao CPMS siga os passos abaixo:

1. Aceder ao seguinte link <https://cpms.ern-net.eu/login/>
2. Clique no link à direita “To request authorisation to use CPMS”

The screenshot shows the CPMS website interface. On the left, there is a section titled "Clinical Patient Management System (CPMS)" with a sub-header "IT Platform for Clinical Consultations between ERN Members". Below this, there are several paragraphs of text describing the system's purpose and supported browsers. On the right, there is a "Secure Login" section with a "Login via EU Login" button and a list of instructions. A red circle and arrow highlight the "click here" link in the instructions.

Clinical Patient Management System (CPMS)
IT Platform for Clinical Consultations between ERN Members

The CPMS aims at supporting ERNs in improving the diagnosis and treatment of rare or low prevalence complex diseases across national borders of Member States in Europe.

The CPMS is a secure Software as a Service (SaaS) that enables health professionals to enroll patients using comprehensive data models. Health professionals can use the CPMS to collaborate actively and share patient within and across ERNs.

The CPMS is supported by Virtual Communication Tools and DICOM viewers to facilitate the interaction between clinicians. Reporting tools are among the functionality of the system to seamlessly empower users to generate reports of interest for administrative and clinical purposes.

The site may change as we endeavour to incorporate suggestions from our Clinical Advisors, particularly in the area of Graphics and Reporting.

Supported Browsers
Please make sure you are using the latest version of Google Chrome , Firefox or Safari to avail of all CPMS functionalities.

Working for patients with rare, low-prevalence and complex diseases
Share.Care.Cure.

Secure Login
You can Login to the CPMS ERN through the EU Login Authentication Service.

[Login via EU Login](#)

- Video: Getting Set-Up and Logged in to CPMS
- Only ERN members and ERN guest users can be authorised users of the CPMS.
- To access the CPMS you need to have an EU login. To create an EU login, [click here](#).
- To request authorisation to use the CPMS, [click here](#).
- To request access to the ERN Collaborative Platform (ECP) to exchange non clinical data with the other members of your ERN, [click here](#).
- For more information on the European Reference Networks, please visit ec.europa.eu.

3. Faça login com o seu EU login

4. Na primeira etapa "Select application", seleccione CPMS e clique na Etapa 2

Comments

Before submitting
A request to get access to an application will be validated by the administrators, this is a manual process and can take a few days.

← Step 3: select an access profile Cancel Submit request access

Depois disso, deve esperar que um administrador analise e aceite a sua autorização. Será posteriormente notificado por e-mail assim que o processo de aprovação esteja concluído.

Sugerimos que entre em contacto com o helpdesk: helpdesk.reconnet@ao-pisa.toscana.it ou ERN ReCONNET directamente ern.reconnet@ao-pisa.toscana.it para auxiliar no processo.
