

#### Come creare un nuovo Panel

Per creare un nuovo Panel e chiedere la discussione del caso clinico, dovrai inserire un nuovo paziente.

#### Come inserire un nuovo paziente

- 1. Collegati alla CPMS al seguente link usando il tuo account EU Login <u>https://cpms.ern-net.eu/login/</u>.
- 2. Vai su "Centre" usando il menu veloce o il link in homepage:

#### 3. Clicca su "Enrol Patient".

Dashboard	Patients	1	Search	1	Recent Activity	
	A' Enrol Patient	2	First name, last name, CPMS ID, panel ID or nickname	Search	008: 15/May/1970 (M)	
nrol Patient		Patients			lunardelli, alessio DOB: 06/Aug/1981 (M)	
-13 <sup>1</sup>	& Patient List					
atient List						

4. Compila il form con le informazioni relative al paziente e ricorda di scaricare il consenso informato e di consegnarlo al paziente (il modulo è disponibile in tutte le lingue ufficiali dell'Unione Europea).

Note: All authorised users from this centre can see all patients enrolled within this cent	tre regardless of enrolling user.

6. Ora il paziente è aggiunto alla lista dei pazienti del tuo centro e puoi chiedere una consultazione tramite CPMS.

#### Come creare un nuovo Panel

- Collegati alla CPMS al link <u>https://cpms.ern-net.eu/login/</u> usando il tuo EU Login
- 2. Vai al tuo Centro usando o il menu veloce oppure il link in homepage:

3. Clicca su "Patient list"

	No upcoming meetings				Panel #	4336	20/Apr/2021
	Past meetings				Add a d	comment	
	No past meetings						

Nella sezione "Meetings" puoi vedere tutti i meeting programmati e programmarne di nuovi. Puoi programmare tre differenti tipi di meeting:

- 1. Meeting ERN periodici: programma un meeting periodico con membri invitati.
- 2. Meeting individuali per un tempo limitato con membri invitati.
- 3. Proposte di meeting proposti: puoi proporre calendari diversi per i meeting, in modo tale che i membri invitati possano scegliere il giorno e l'ora migliori per loro.

Una volta che i membri del panel arrivano a una conclusione, il panel manager può scrivere un risultato generale per il panel, modificando la sezione dei risultati del panel. Questo costituirà un riassunto del panel chiuso utile per consultazioni future.
